

# Step Lite Solid Eyelid Square

Cat. No. SLSSQ  
Cat. No. SLSSQGU

The Square Solid Eyelid Step Lite has an 88mm x 88mm (3 1/2" x 3 1/2") flange. It has a smooth machine finish without mounting holes to disrupt the elegant line of the fitting and is designed to fit into a mounting canister. The eyelid masks two thirds of the lamp which eliminates all upward light.

A GU10 version of this luminaire is also available for line voltage lamps. However, a longer luminaire body is needed to accommodate the longer lamp.
