

BOLU

## BOLLARD ULTRA

The Hunza Bollard Ultra is ideal for commercial application for ground lighting on driveways, pathways and squares.

It features multiple facets that cast a 5-petal pattern and low glare downward illumination. The light pattern is dependent on the beam angle specified.

LED Chip	5x Cree XTEs
Output (per head)	1200 lumens @ 1050mA
Lumens Per Watt	75 lumens @ 16w
CRI Warm White (3000K)	85+
